Rule making related to emergency interstate fleet permit

The Transportation Department hereby amends Chapter 511, “Special Permits for Operation and Movement of Vehicles and Loads of Excess Size and Weight,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 307.12 and chapter 321E as amended by 2021 Iowa Acts, House File 382.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code chapter 321E as amended by 2021 Iowa Acts, House File 382.

Purpose and Summary

This rule making updates Chapter 511 to conform the rules with 2021 Iowa Acts, House File 382.

House File 382 creates a new emergency interstate fleet permit, which will allow all vehicles operating under the same interstate or intrastate motor carrier number to travel under the same permit, provided all vehicles are carrying divisible loads of disaster relief supplies related to a presidentially declared national emergency that has been declared a major disaster under the federal Stafford Act. Prior to the legislative change, the Department was not authorized to issue one special permit to apply to multiple vehicles operating under the same motor carrier’s interstate or intrastate number. Rather, the Department’s only option was to issue vehicle-specific permits. The intent of the legislation was to reduce administrative burden for motor carriers responding to emergencies.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on September 22, 2021, as **ARC 5923C**. No public comments were received. No changes from the Notice have been made.

Adoption of Rule Making

This rule making was adopted by the Department on November 9, 2021.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa beyond any impact anticipated by the legislation.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 761—Chapter 11.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).
